dig deep

FROM COINCIDENCE TO CONFIDENCE: HOW GOD PROVES HIS EXISTENCE

- What event in your life has taken you from doubtful to assured that God is real.

THE GOD WHO CAN BE CONJURED

- READ Exodus 8:5-7.
 - The Egyptian magicians were able to "replicate" the signs of staff-to-serpent and the Nile-to-blood. Why do you think God would choose His next sign, the plague of frogs, when He knew the magicians could conjure this with their own magical arts?

A GOD WHO CANNOT BE EQUALED

GOD'S CONTROL OF PRECISE TIMING

- READ Exodus 8:8-14.
 - Why do you think Moses told Pharaoh that the timing of the end of this plague would be a sign, "so that you may know there is no one like the LORD our God"? [Ex. 8:10]

GOD'S CONTROL OF MINUTE THINGS

- READ Exodus 8:16-19.
 - What have you heard might be the reason that the Egyptian magicians could not reproduce the plague of the gnats, and that they recognized it as "the finger of God"?
 - God's minute control: Life beneath the barley seed.

GOD'S CONTROL OF TARGETED PLACEMENT

- READ Exodus 8:20-24.
 - How is this plague a clear warning to Pharaoh and the Egyptians of what is to come if they do not comply with Moses' request?

- So far in our study, do you think the plagues are demonstrating God's judgment or patience? Why?

TALK WITH GOD THIS WEEK ABOUT THE FOLLOWING QUESTIONS:

1. How has God shown precise timing in my own life?
2. What are the minute things in my life that I need God to control?
3. Where are areas within my sphere of influence that I need God to target and make Himself known?
